4. Setting up the Baby Unit for Wi-Fi® internet viewing**A. Install Motorola Nursery App**

- Scan the QR code with your smart device and download Motorola Nursery App from the App Store for iOS devices or from the Google Play™ Store for Android™ devices.
- Install Motorola Nursery App on your device.

B. View on Compatible Smartphones and Tablets

- Open the Motorola Nursery App on your compatible smartphone or tablet.
- Follow the in-app instructions to create your account and connect to your device.

Please take note of the following minimum system requirements:

Smartphones/Tablets: iOS 10.0, Android™ 7.0

Wi-Fi® requirements:

At least 0.6 Mbps upload bandwidth per Smart Monitoring Companion, test your Internet speed at: <http://www.speedtest.net/>

5. Installation of Cot mount

A cot mount with cable management is included which mounts directly to most cots to allow better viewing. Assemble and install the cot mount using the following steps.

- Join the 4 poles and the support base together as the diagram shown. (Fig. 1a , 1b)

Note:
Each pole is connected with power cord inside, manage with care the power cords when removing the poles from the box and during installation.

- The Top Clamp is delivered by default for vertical clamping on the top rail of the cot, to clamp horizontally on the slates of the cot, please unfasten and remove the tiny knob completely from the Top Clamp assembly (Fig. 2a), remove the Top Clamp from the assembly and re-orient the Top Clamp with the long open end pointing at left hand side (Fig. 2b), then reinsert into the assembly, fasten the tiny knob back to the assembly until the Top Clamp is securely locked.
- Fasten the top clamp either vertically on the upper rail (Fig. 2c) or the slats horizontally(Fig. 2d).

**4. Setting up the Baby Unit for Wi-Fi® internet viewing****A. Install Motorola Nursery App**

- Scan the QR code with your smart device and download Motorola Nursery App from the App Store for iOS devices or from the Google Play™ Store for Android™ devices.

How to Obtain Warranty Service or Other Information?

To obtain service or information, please call:
motorolanursery.com/support

You will receive instructions on how to ship the Products or Accessories at your expense and risk, to a MZWG Authorized Repair Center.

To obtain service, you must include: (a) the Product or Accessory; (b) the original proof of purchase (receipt); (c) the date, place and seller of the Product; (d) if a warranty card was included in your box, a completed warranty card showing the serial number of the Product; (d) a written description of the problem; and, most importantly; (e) your address and telephone number.

These terms and conditions constitute the complete warranty agreement between you and MZWG regarding the Products or Accessories purchased by you, and supersede any prior agreement or representations, including representations made in any literature publications or promotional materials issued by MZWG or representations made by any agent, employee or staff of MZWG, that may have been made in connection with the said purchase.

Disposal of the Device (environment). At the end of the product life cycle, you should not dispose of this product with normal household waste. Take this product to a collection point for the recycling of electrical and electronic equipment. The symbol on the product, user's guide and/or box indicates this. Some of the product materials can be re-used if you take them to a recycling point. Before sending some parts or raw materials from used products you make an important contribution to the protection of the environment.

Please contact your local authorities in case you need more information on the collection points in your area.
